

## Travel Safely

Honk! Screech! CRASH! Those horrible sounds are heard by somebody every day. There are four things you can do to prevent yourself from being injured in a car accident.

- 1) Avoid traveling in bad weather
- 2) Obey traffic rules
- 3) Watch out for others on the road
- 4) Always wear your seat belt

No one wants to be injured in a car accident. If you avoid traveling in bad weather, obey traffic rules, watch out for others, and always wear your seat belt; you may prevent an accident that could cost your life. So if you have some place you want to go, do everything you can to make sure you get there.
